Salient points of speech of BJP National President, Shri Amit Shah addressing a public programme while inaugurating new Deendayal Upadhyay Junction, earlier known as Mughalsarai Junction at Mugalsarai, UP

Today is a very important day for every BJP karyakarta because Mughalsarai junction is named after Pandit Deendayal Upadhyay Ji, a great visionary, pillar of our ideology and promulgator of 'Integral Humanism', who was brutally murdered here in 1968.

With the help of the Central Government, the UP Government and the people of Uttar Pradesh, a big task of establishing a grand memorial and research center in memory of Pandit Deendayal Upadhyay ji is going to be done, for this I thank Prime Minister Shri Narendra Modi and Chief Minister of Uttar Pradesh, Shri Yogi Adityanath Ji from the bottom of heart for the millions of Party karyakartas.

Even if Rahul Gandhi joins the Bua-Bhatija (SP-BSP), yet the BJP's seats in Uttar Pradesh will increase from 73 to 74, not 72. Opposition is dreaming of forming a new government in Uttar Pradesh but even today, only BJP has the UP's mandate, no one else has.

I am asking Rahul Gandhi for past seven days that you must clear your stand whether 'NRC' should be implemented in the country or not, but he has no answer. Congress & Co do not want 'NRC' to be implemented and they Bangladeshi infiltrators should remain in the country to serve their politics of vote bank.

The SP, the BSP and the Congress should decide whether they want Bangladeshi infiltrators out of the country or not. I know the opinion of the people of the country, consensus of the whole country is that not a single infiltrator should kept in the country.

Regardless of whether the Congress party support the Bill to give constitutional recognition to OBC Commissions, the BJP Government at the Center under the leadership of Prime Minister Shri Narendra Modi, will pass the bill and provide the right to live with respect to the OBC community of the country.

Congress President Rahul Gandhi should clarify to the people of the nation, whether the Congress party will support the Bill to give constitutional recognition to OBC Commissions in the Rajya Sabha, it will be clear on the spot whether the Congress party wants the welfare of the OBC community of the country or not

The Modi government has spent more in 4 years for development of Purvanchal compared to 70 years' of Congress. BJP government has opened this region to a whole new dimensions of development.

In 15 years, under the rule of SP-BSP, UP's law and order was extremely pathetic, criminals were dominating and the chaos was at the peak, while in the Yogi government, criminals in the state were forced to run away from Uttar Pradesh.

The Congress government of Sonia-Manmohan provided central assistance of just Rs 3,30,000 crore to UP during the 13th Finance Commission while the Modi government allocated an amount of Rs 8,08,000 in the 14th Finance Commission.

Under the leadership of Prime Minister Shri Narendra Modi, the central government has decided to increase the minimum support price of crops by one and half times to the cost price, fulfilling the much anticipated demand of the farmers of the country for 70 years.

Modi Government has decided to provide health insurance of five lakh rupees per annum to 10 crore families i.e. approx 50 crore people of the country free of cost under the 'Ayushman Bharat' Yojana, which is much popular as 'NaMo Care' among the people of the country.

The Modi government has made crores of toilets, given gas connections to the poor women, provided electricity to the villages, build homes for homeless people, given self-employment to the youth, vaccinated 18 million poor children in 4 years, but Rahul Gandhi should tell the country what did the Congress party in 55 years of their rule?

As national president of the Bharatiya Janata Party, I assure the people of Uttar Pradesh, when we come to the people of Uttar Pradesh seeking their votes after five years, then UP will be the number one state in the country no doubt.
