## **Salient points of speech of BJP National President Sh Amit Shah addressing a massive public meeting in Palamu, Jharkhand**

The people of India have decided to vote once again for our visionary Prime Minister Shri Narendra Modi. This is the verdict of people of Palamu and Jharkhand also. It is certain that Modi government will be formed again and with full majority.

\*\*\*\*\*

The only objective of 'Mahamilavati' opposition is to indulge in corruption. They have done it in centre and in Jharkhand when in power and wherever they got chance to do it.

\*\*\*\*\*

In Jharkhand 'Mahamilavati' people have made a record, they made an independent MLA the Chief Minister of the state and looted crores of rupees. Congress took away crores of rupees of poor people of Jharkhand.

\*\*\*\*\*

After 70 years of Independence Rahul Gandhi suddenly remembered poor people. I ask Rahul Gandhi, Lalu Yadav and Hemant Soren -- after ruling for so many years, what they have done for the poor?

\*\*\*\*\*

What Prime Minister Shri Narendra Modi did for the country and poor people in merely 5 years, four generations of Congress failed to do in 55 years of its rule.

\*\*\*\*\*

The agricultural growth rate of Jharkhand which used to be only 4% has been increased to 19 % by BJP Government of Jharkhand.

\*\*\*\*\*

In Palamu drinking water has been provided to 31,000 household. With an amount of Rs. 360 crores a massive water supply scheme has been initiated which will provide clean water to 3, 29, 000 families.

\*\*\*\*\*

BJP government for the first time in 70 years has provided electricity to 2, 91,000 household. In the district under the PM Awas Yojana 60,000 poor people has been given houses.

\*\*\*\*\*

At one end there is massive development work done by NDA government for the welfare of poor and on the other end are hollow promises of opposition.

\*\*\*\*\*

When 75 years of our independence will be celebrated, not a single man/woman will be there who don't have house, electricity, drinking water, gas or toilet and healthcare facilities.

\*\*\*\*\*

After air strike by our brave Air Force officers there was celebration all over the country but Rahul Gandhi and company were in mourning. I want to ask Rahul Gandhi -- when terrorists of Pakistan were killed why shine of your face went away.

\*\*\*\*\*

Congress is contesting elections with National Conference and Rahul Gandhi's friend Omar Abdullah demands there should be a separate Prime Minister for J&K, but Rahul Gandhi keeps mum on this.

\*\*\*\*\*

As long as BJP karyakartas are alive no one can separate Kashmir from India. J&K is the crown of India and we will remove article 370 from there after reelection of Shri Modi as the Prime Minister.
