Salient points of speech of BJP National President Sh Amit Shah addressing huge public meetings in Mayurbhanj & Jajpur, Odisha

Every nook and corner of the country is echoing with the slogan Modi-Modi. In the first three phases of elections, the people of Odisha have decided to yet again form BJP led NDA government under Shri Narendra Modi.

There is wave of change in Odisha also and the end of BJD government is certain. With the ongoing Modi wave, Naveen Patnaik and his government is having sleepless nights.

After joining Congress, Shatrughan Sinha has started praising Jinnah, comparing him with Mahatma Gandhi knowing that he broke the country into two. In fact this is the real character of Congress.

Congress leader PC Chacko says Modi government should not have taken action against Yasin Malik. Yasin Malik is dreaming of separating J&K from India and irony is that Congress supports him. This is the real character of Congress.

In J&K Rahul Gandhi's friend and National Conference leader Omar Abdullah demands a separate Prime Minister for Kashmir. But Congress keeps mum on this. Rahul Gandhi has not cleared his position on this till now.

Rahul Gandhi and company might put their strength, but they should keep in mind that J&K is India's inseparable part and will remain so. In fact Congressmen are more concerned with the security of their family than country.

BJD government of Odisha is not allowing people to get advantage of Ayushman Bharat Yojana because Naveen Babu is afraid of the fact that it will enhance the popularity of Prime Minister manifold. In Odisha BJP government will be formed and we will implement Ayushman Yojna in Odisha.

After the air strike on terrorists' camp in Pakistan entire country was celebrating but there were only two places where there was mourning, -- one was in Pakistan and the other one was Rahul Gandhi camp.

Odisha has been given an amount of Rs. 6,000 crores for the welfare of Adivasis. During the last five years Rs. 3 lakh crore has been allocated to the state for infrastructure development. There are projects worth 10,000 crores going on in Sagarmala project. All this has been done by Modi government for Odisha.

Odisha is rich in minerals but the people of the state are poor because there had been scams in distribution of minerals. Despite MB Shah Committee investigation report no action was taken against guilty.

In the chit fund scam poor people lost their hard earned money. If the people of Odisha give BJP a chance to form the government, those who were indulged in looting public will be punished under law.

Recently there had been more than 20 attacks on BJP workers in Odisha and 10 of our karyakartas have been killed brutally.

Naveen Babu if you think that doing politics of violence like West Bengal, your government will be formed again in Odisha, you are highly mistaken because people of Odisha doesn't believe in violence.

After formation of BJP government interest free loans will be given to the farmers. Farmers, labourers and small traders will be given monthly pension after 60 years of age.

After coming to power BJP will provide irrigation facilities to every farm with an amount of Rs. 1 lakh per farm. Poor students will be provided free education from class one up to PG level.

In Odisha after the formation of BJP government all the vacancies in government departments will be filled. Adivasi brothers will be given ownership rights under Forest Right Act. This will be implemented within three months after enacting PESA Act.

After the formation of BJP government forest produce will be bought at MSP. GST will be removed from Tendu leaves. Ho and Mundari languages will be included in the schedule-VIII of the Constitution. Ambulance service will also be started under new number 200.
