Salient points of speech of BJP National President Sh Amit Shah addressing huge public meetings in Sitamarhi and Chhapra (Bihar)

Across the country, there is only one slogan-Modi, Modi and Modi. Congress-RJD and their Mahamilavati politics is based only on appeasement. The people of this country have only one pledge "Fir Ek Baar Modi Sarkar". The people of this country want to be the 'Sarthi' of this Vikas Yatra.

Mayawati said, Modi ji doesn't come from backward caste. Mayawati ji please stop politics of falsehood, you have rightly said he does not come from backward caste but extreme backward class.

The demand for Backward Class Commission was lingering since 1955 but this demand was ignored by everyone including Congress-RJD-BSP. This is Modi government which has fulfilled this demand and appointed Shri Bhagwan Lal Sahni as the first chairman of Backward Class Commission. For this Modi government will be remembered for years to come.

At one end we have hard working Prime Minister Shri Narendra Modi who works for 18 hours out of 24 hours but at the other end we have leader of 'Mahamilavati Thug Bandhan' Rahul Gandhi who goes on leave every year for 2-3 months. Even his party doesn't have clue as to where he goes.

India after the Air Strike, has become third country which crossed border and killed terrorists. With this action, India has established itself as a decisive nation.

After air strike entire country was celebrating but there was mourning at two places, one in Pakistan and the other one at Rahul Gandhi's office. Rahul and company thought that it will become an issue in the elections. This vote bank politics is the policy of 'Mahagathbandhan'.

I want to ask Rahul Gandhi why shine on your face vanished when terrorists in Pakistan were killed. Are they your cousins?

Congress may have policy of tolerance towards terrorism, but BJP government has a no tolerance policy towards terrorism. We will not compromise on the security of the country. National security is our top priority.

I want to make it clear that no one can separate J&K from India as long as even a single BJP karyakarta is alive.

In JNU anti national elements raised slogans of 'Bharat tere tukde honge hazar' and Rahul Gandhi stood with them. He said this is freedom of expression. I want to ask Rahul Gandhi -- Is dividing India freedom of expression or sedition?

Rahul Gandhi and Lalu Yadav may put all their strength but as long as there is Modi government such people will be sent behind bars.

For 10 years there was Sonia-Manmohan's Congress government which was supported by Lalu Yadav, 13th Finance Commission gave only Rs. 1,93,818 crores to Bihar but 14th Finance Commission under Modi government has allocated an amount of Rs. 6,06,786 crores.

Rahul Gandhi must listen carefully Shri Narendra Modi did more work in his 5 years then what was done in 55 years by Congress. Narendra Modi-Sushil Modi-Nitish kumar combination is marching forward to make Bihar a developed state.

Modi government has given reservation of 10% to general category poor students in education and jobs without reducing quota of SC/ST and backward castes.

We have decided in our Sankalp Patra that in 2022 when 75 years of Independence will be celebrated, there will not be a single family in the country who doesn't have a house, gas connection, electricity, drinking water and toilets.

After reinstallation of Modi government at the Centre, farmers will be provided interest free loans. Farmers, labourers and small traders will be given pension after 60 years of age.

Nitish Kumar and Sushil Modi has ruled the state in a much better way and got rid of Jungle raj. There is law and order in the state.
